PROGRAMME
TENDER NO: TNT/051/2021 – 2022; ADDENDUM 2

The National Treasury has issued the following addendum to Tender for Provision of Fuel for the Motor Vehicles Leasing Programme.

S/No	Requested Clarifications	Clarification
1.	Please note that the Licensing Authority for OMCs under the Ministry of Energy is EPRA, as such requirement 15 under the mandatory requirements is redundant. We only able to provide the EPRA license	Item 15 <i>“Certified Certificate of registration as an Oil Marketing Company with Ministry Energy”</i> This is hereby waived and will not form part of the mandatory requirements.
2.	Am making an enquiry on tender No.TNT/051/2021-2022 for Provision of Fuel for Motor Vehicle leasing Programme. We had seen the tender advert on Friday 17 th June and therefore could not have attended pre-bid meeting held on 16 th June, 2022. Are we still eligible to participate as we note pre-tender conference was mandatory to attend?	Page 3 of the tender document required as follows; <i>“A Mandatory virtual Pre-Tender Conference will be held on Thursday, 16th June, 2022 at 10.00 am, Kenyan Time with interested tenderers. Invitations to the pre-tender virtual /video conference meeting shall be sent to the interested tenderers who submitted their particulars to the email address(es) stated above before Thursday, 16th June, 2022 at 10.00 am, Kenyan Time.”</i> Only tenderers who attended the pre-bid conference are eligible to participate in the tender since this was a mandatory requirement as indicated on page 28 item 6 of the tender document.
