PUBLIC NOTICE

REQUEST FOR COMMENTS ON KENYA'S ACCESSION TO THE AGREEMENT ON THE ESTABLISHMENT OF THE GLOBAL GREEN GROWTH INSTITUTE (GGGI)

The Government of Kenya wishes to accede to the Agreement on the Establishment of the Global Green Growth Institute (GGGI). The GGGI, established in 2012, is a treaty-based international, inter-governmental organization whose vision is a low-carbon, resilient world of inclusive and sustainable growth by supporting members in the transformation of their economies to a green growth economic model.

The National Treasury that is spearheading the process on behalf of the Government of Kenya established an Inter-Agency Committee to make recommendations on Kenya's accession to the Agreement on the Establishment of the GGGI. The Committee has since developed a report on the rationale for Kenya's accession to the GGGI.

As part of the process of engaging the public and stakeholders on this important Agreement, we have prepared the report on the rationale for Kenya's accession to the GGGI, which is available at the National Treasury website (<https://www.treasury.go.ke>). The purpose of this Public Notice is to invite general and specific comments on Kenya's accession to the GGGI. The comments should be forwarded through the email [climatefinance@treasury.go.ke] by **Friday 10th February 2023**.
