RE: Performance of Public Entities on 19th Cycle on the PC Target on Asset Management

The National Treasury (TNT) is a Specialized Agency on asset management target under the cross-cutting issues in the 19th Cycle of Performance Contracting.

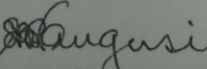

In this regard, the National Treasury developed performance indicators and sub indicators on the Assets Management target for implementation by Ministries, Departments & Agencies (MDAs) under which they were required to undertake the following:

- a) Maintain and update Asset registers using the prescribed reporting templates issued by the National Treasury; and
- b) Disposal of Idle Assets-Ensure disposal of unserviceable, obsolete and surplus assets by way of sale, transfer to other public institutions, destruction, donation or other authorized methods of disposal and in all cases in full conformity to existing legal requirement.

As part of performance evaluation process, MDAs were required to submit quarterly and annual reports to the National Treasury using the prescribed format of assessment and scoring at the end of the contract period.

The annual evaluation scores for MDAs on the asset management targets are as per attached scoresheet and can be accessed through the National Treasury website.

The purpose of this circular letter is to communicate the scores achieved by your institution(s) on the Asset management target and achievement in the 19th Cycle Performance Contracting for FY 2022/23.
