ADDENDUM III**

The National Treasury has issued the following addendum to the tender for Provision of Onsite Support for National Treasury IFMIS Cyber Security and Network Infrastructure.

S/No	Requested Clarifications	Clarification
1.	<p>On page 35 of the requirement provides Certified copies of registration and accreditation by ICT Authority,</p> <ul style="list-style-type: none">i. ICTA 1: Information Securityii. ICTA 1: ICT Networksiii. ICTA 2: Data Centre <p>(This shall be provided by all parties in case of a joint venture and shall be confirmed via https://accreditation.icta.go.ke/)</p> <p>Kindly clarify if ICTA 1 for datacenter will satisfy the requirement for ICTA 2.</p>	<p>Each accreditation is treated independently; no accreditation shall be used to satisfy requirements of another.</p>
2.	<p>On page 39 for references sites for number 2,4,5, requirement for a participant to have supported a client where they have implemented and</p>	<p>References sites for Nos. 2, 4 and 5 will be considered independently.</p> <p>For reference sites No. 5 Tenderers MUST</p>

S/No	Requested Clarifications	Clarification
	supported ALL the listed solution, Kindly clarify if we can use multiple sites for the different solutions.	have undertaken integrations of all listed products. Tenders may not use multiple sites for the different solutions
3.	On page 40 and 41, kindly clarify whether we can use reference sites where we have implemented different series of Palo Alto and Cisco firewalls than those listed on this requirement.	The bidder MUST have supported this series or equivalent. Pg 40 and 41 It will be acceptable ONLY if the bidder has supported a higher series than what has been provided.
4.	On page 43, is the requirement to have a system administrator with all the listed certifications and experience or we can use multiple resource persons with some of the certifications but covering all the listed requirements.	Each system administrator must have all the listed certifications.
5.	DNA License for Cisco Gateway Page 38 - Cisco Voice Gateway The specifications have wrongly chosen the Essential DNA license. But to support Voice, you need Advantage DNA subscription.	The bidder should quote for Advantage DNA Licenses

All the other terms and conditions remain the same.
