9th July, 2025

**REF: PROCUREMENT OF COMPUTING EQUIPMENT (SERVERS) TO SUPPORT IFMIS RE-ENGINEERING FOR
MIGRATION TO ACCRUAL BASIS ACCOUNTING, TREASURY SINGLE ACCOUNT AND CONFIGURATION OF
NEW STANDARD CHART ACCOUNT (TENDER NO. TNT/ONT/065/2024 - 2025)**

ADDENDUM IV

The National Treasury has issued an addendum to the above issued tender as follows:

No.	Section	Clarification	Response
1	Oracle Private Cloud (PCA)- Engineer (One Resource person) (Qualification & Experience Rating)	Oracle does not offer official certification paths specifically for PCA (Private Cloud Appliance). Can we provide Oracle PCA training certificates instead?	The Engineer should have either Oracle Linux or Oracle Exadata certification (Attach certificate)

	Oracle Certified engineer in Oracle Private Cloud Appliance (PCA) (Attach Certificate)		
2	Oracle X8-8 Engineer (One Resource person) (Qualification & Experience Rating) Oracle Certified engineer in Oracle X8-8 (Attach Certificate)	The Oracle X8-8 is considered outdated technology. However, the Exadata Database Machine certification aligns with the practical experience given the continuity within Oracle's current hardware stack. Can we provide Oracle Exadata X8M/X9M/X10M certification for this engineer in place of an X8-8 specific certification?	The Engineer should have either Oracle Linux or Exadata certification (Attach certificate)

All other terms and conditions remain the same.

**HEAD, SUPPLY CHAIN MANAGEMENT SERVICES
FOR: PRINCIPAL SECRETARY/THE NATIONAL TREASURY**
