#### 1.0 Background

Financing Locally-Led Climate Action (FLLoCA) Program is a World Bank Funded Government of Kenya Program and co-financing from German KfW Development Bank among other development partners. The program's development objective is to strengthen grass root resilience to the impacts of climate change, natural hazards, and other shocks/stressors by building the country's capacity to plan, implement, and monitor resilience investments in partnership with County Governments and communities. The Program is managed and coordinated by a Program Implementation Unit (PIU) domiciled at the National Treasury and Economic Planning's Climate Finance and Green Economy Unit (CG&GEU).

*Therefore, FLLoCA seeks to engage a Finance and Compliance Specialist for a 1-year contract period, subject to work requirements and satisfactory performance* to be based at the National Treasury, PIU Office in Nairobi.

The main objective of the position is to support in realization of financial compliance with the County component during program implementation.
